Director's Meeting

Monday, 30 April 1951

Mr. Dulles reported that he had reviewed all of the various projects with [ ] of which there were about twenty odd still active. He stated that he would close out the projects as they were finished there and not open any new ones. He indicated that discussion was held as to how to strengthen the situation in [ ] and that he would approach [ ] to get them to send shipments of food [ ]. He also reported that [ ]

Mr. Dulles reported that the change in government in Iran was an indication of extreme right Nationalism which would be both anti-foreign and anti-Soviet. He said that the greatest fear was that the next change in government might be to the extreme left.

Mr. Dulles reported that the head of [ ] arrived in Washington today and a meeting was arranged for the Director Friday night.

The Director asked Mr. Wolf to write a letter to Mrs. Rosenberg on training.

Mr. Jackson reported the case of an O/PC employee who had made certain statements concerning the President and General Marshall. The Director wanted the case investigated and if the individual acknowledged making the statements he be released from the agency immediately.

The Director stated what he wished to have prepared for possible Congressional testimony on the MacArthur case. (See draft memo dtd 30 Apr 51, subject: Statement on CIA's position on Intelligence in the Far East.)
